

Initiative Measure No. 607

filed August 20, 2013

TAXPAYER PROTECTION ACT

COMPLETE TEXT

AN ACT Relating to state revenue; amending RCW 82.08.020; creating new sections; and providing a contingent expiration date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

INTENT

NEW SECTION. **Sec. 1.** This initiative is intended to ensure short-term and long-term protection from state tax increases and provide individuals, families, businesses, and our state's economy with critical protection that 17 other states already enjoy.

Over the past twenty years, the voters of Washington have, five times, overwhelmingly passed initiatives requiring two-thirds legislative approval or voter approval to raise taxes. Despite this clear message from the people, the legislature continues to block the people from voting on a constitutional amendment providing this necessary protection. The voters have earned the right to decide this issue once and for all.

This measure would reduce the state sales tax rate from 6.5 percent to 5.5 percent unless the legislature lets the people vote on a constitutional amendment requiring two-thirds legislative approval or voter approval to raise taxes.

These important policies ensure that taxpayers will be protected and that taking more of the people's money will always be an absolute last resort.

REDUCES THE STATE SALES TAX RATE FROM 6.5 PERCENT TO 5.5 PERCENT UNLESS ...

Sec. 2. RCW 82.08.020 (Tax imposed--Retail sales--Retail car rental) and 2011 c 171 s 120 are each amended to read as follows:

(1) There is levied and collected a tax equal to (~~(((six)))~~) five and five-tenths percent of the selling price on each retail sale in this state of:

(a) Tangible personal property, unless the sale is specifically excluded from the RCW 82.04.050 definition of retail sale;

(b) Digital goods, digital codes, and digital automated services, if the sale is included within the RCW 82.04.050 definition of retail sale;

(c) Services, other than digital automated services, included within the RCW 82.04.050 definition of retail sale;

(d) Extended warranties to consumers; and

(e) Anything else, the sale of which is included within the RCW 82.04.050 definition of retail sale.

(2) There is levied and collected an additional tax on each retail car rental, regardless of whether the vehicle is licensed in this state, equal to five and nine-tenths percent of the selling price. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

(3) Beginning July 1, 2003, there is levied and collected an additional tax of three-tenths of one percent of the selling price on each retail sale of a motor vehicle in this state, other than retail car rentals taxed under subsection (2) of this section. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

(4) For purposes of subsection (3) of this section, "motor vehicle" has the meaning provided in RCW 46.04.320, but does not include farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, off-road vehicles as defined in RCW 46.04.365, nonhighway vehicles as defined in RCW 46.09.310, and snowmobiles as defined in RCW 46.04.546.

(5) Beginning on December 8, 2005, 0.16 percent of the taxes collected under subsection (1) of this section must be dedicated to funding comprehensive performance audits required under RCW 43.09.470. The revenue identified in this subsection must be deposited in the performance audits of government account created in RCW 43.09.475.

(6) The taxes imposed under this chapter apply to successive retail

sales of the same property.

(7) The rates provided in this section apply to taxes imposed under chapter 82.12 RCW as provided in RCW 82.12.020.

NEW SECTION. **Sec. 3.** Section 2 of this act takes effect on July 1, 2015.
